SERVICES

In 2025, we expanded to a second warehouse, a 25'000 sq ft premises in Ramsgate, UK. This exciting move meant increased production capacity, more storage space, and ample space in our parking area for delivery vans and tour buses to easily load in large merch orders.

This also allowed us to convert our Margate warehouse into an e-commerce & fulfilment hub.

We pride ourselves on staying up-to-date with the latest printing technologies and techniques. From initial enquiry to final printed product, we put rigorous steps in place to ensure a premium product lands in our client's hands.

By partnering with Pins & Knuckles, you benefit from:

- Orders packaged and delivered under plain cover.
- Online client portal to easily view order proofs, track production and delivery status, and more.
- A dedicated account manager as your point-of-contact for all new and ongoing queries and orders, for peace of mind throughout the order process.
- Logistics and tour support. We offer standard next-day delivery services throughout mainland UK, or dedicated private vans for timed deliveries.
- End-of-tour stock solutions via our fulfilment and e-commerce services.
